

Dear Joe,

On behalf of Shelly and myself, I just wanted to thank you so much for the delicious food that Mama Primozz provided for our children's First Communion. The food was plentiful, hot and of course, delicious. Having a "table set-up" of plates, napkins, forks and spoons really relieved us of that extra step and was a delightful surprise when we went to place our order. The vegetable tray not only looked wonderful, but the vegetables were fresh and delicious. The salad was also very fresh and tasty with plenty of salad dressing.

We ordered three different entrees. The chicken in white wine sauce was very tender and flavorful. The pork was never-ending and was a nice change of selection. The pasta amount was huge and everyone raved about the sausage! Of course, being Irish, the potatoes were a big hit as were the green beans. I can't tell you how many people commented on the amount of food was provided and how good it all tasted!

We have been recommending you to everyone that we know has an event coming up! I wish I knew you when we had the season of bridal and baby showers, but now that First Communion years are upon us, so glad to know where you are now! Your food is superb, and your prices can't be beat!!

Thank you so much, Joe and all at Mama Primozz, for making our party a delicious hit!

Sincerely,

*Brigit McLaughlin*
