

Joe

Wanted to let you know that Lindsay's graduation Party was a success! Not to mention the food!!! It was absolutely GREAT! Everyone raved about it. I guess so because I only had 6 stuffed cabbages left & that's because I crabb'd them & put them in a freezer bag for us later & only enough for 1/2 meal of pepper steak. These people acted like they never ate before.

They all wanted to know who did the food & if it was the same guy. So what can I say the food was Outstanding. So thank you again & I hope you get some business from my

Muchas Gracias!
Party besides me.

Thanks Again

Sincerely

Billie Jesse!
